FREE SPINS RULES

Hit 3 or more SCATTER symbols anywhere on the screen to trigger the FREE SPINS feature.
The round starts with 10 free spins.

Before the round starts, a random symbol out of all paying symbols is selected as the special expanding symbol.
During the round, after the payout of regular symbols, the special symbol expand vertically to cover all the positions on the reel. Then, on top of each reel where it expanded, one instance of that symbol is collected at the top.

Future expansions in the same round on reels that have symbols collected on top of them will expand as 3 plus the number of symbols on top, up to a maximum of 10.

The special expanding symbol pays according to its payable on all reels according to the number of ways given by the number of expanded symbols on each reel, even on non-adjacent positions.

Expansion is triggered only if at least 3 special symbols are present at the end of a spin on different reels.

Hit 3 or more SCATTER symbols during the round to get 10 more free spins with the current special symbol.
There is no limit to the number of possible retriggers.

Special reels are in play during the feature.
