### MYSTERY SYMBOL AND RESPIN

In the base game, at random spins, one MYSTERY symbol is selected randomly for that spin. After the payout of regular symbols, the MYSTERY symbols expand vertically to cover all 3 positions on the reel and the game enters a respin mode, keeping the expanded symbols in place and respinning the other reels.

If more of the current MYSTERY symbols hit after respin, they will also expand, remain in place and the game will respin the remaining reels once more.

Respins end when no more MYSTERY symbols hit or the screen is filled with expanded ones.

After respins end the MYSTERY symbol pays according to its payable, on all reels, even on non-adjacent positions.

Expansion is triggered only if enough symbols for a win are present.

### FREE SPINS

In the FREE SPINS FEATURE, 10 free spins are awarded.

Before the round starts a random paying symbol is selected to be the MYSTERY symbol.

During the FREE SPINS, the MYSTERY symbol acts like in the base game, expanding vertically to fill the whole reel and triggering respins until no more of them hit or the screen is filled with expanded ones.

Hitting 3 or more  symbols during the FREE SPINS ROUND awards 10 more free spins with the currently selected MYSTERY symbol. There is no limit to the number of possible re-triggers

### MAX WIN

The maximum win amount is limited to 4,000x bet during the base game and the FREE SPINS round. If the total win reaches 4,000x bet the round immediately ends, win is awarded and all remaining features are forfeited.

### BUY FREE SPINS

The FREE SPINS round can be instantly triggered from the base game by buying it for 100x current total bet. Before the round starts the player can select a symbol to be the MYSTERY symbol.

All values are expressed as actual wins in coins.
